Dear all,

Now, finally we have a date for the start-up meeting in the calendar: Wednesday 22nd April 2020. The meeting will be held as an online meeting on the Teams platform.

The core group for the speed boat is: Knut Magne Johannessen and Ian LaPointe, NorSea Group; Morten Baungaard Nielsen, Vestas; Morten Andersen, DHL; Jesper Dybdahl, DSV; Morten Basse, DIS (captain); Thomas Poulsen, TINV (representing the "mothership").

For scope and framework please see initiating document enclosed.

The agenda for the start-up meeting will be as follows:

Agenda:

1. Short introduction of participants
2. Review initiating document
3. Formulate questions to pin point the core issues concerning lack of US infrastructure for the wind industry
4. Discuss and formulate SoW
5. Evaluate capacity of the group to undertake and complete SoW
6. Formulate additions to the group, if any
7. Funding opportunities
8. Time line for the project, roles and responsibilities/next steps + new meeting date

We are encouraging as many as possible to participate in the start-up meeting to contribute to the determining of the project scope, timeline and funding. Your further participation can be decided upon after the start-up meeting.

I will be looking forward to receiving your positive meeting interest as an answer to this email, where after you will receive a meeting invite including the Teams link.
