

5th meeting Wind Logistics Group

Date: **November 24, 2020**
Time: **12:00 PM noon - 18:00 PM CET**
Venue: **Online**
MS Teams

Practical:

How to access MS Teams as a Guest:

1. You will have received an email with an invitation to join the Team "Wind Logistics Group 24/11"
2. If you are already a user of MS Teams, follow the link in the email to join the Team
3. Please make sure you log in using the email you normally use for MS Teams (and kindly make sure it is the same email where the invitation to join the Team was received - if not, please email Ida at eventmanager@windlogisticsgroup.com ASAP)
4. Try to log on to the Team as soon as possible and when asked to choose an organization, please choose the organization "Wind Logistics Group (guest)"
5. If you cannot see the Team, please try logging out of your account on the app and log back in or alternatively please try using the web-browser version of MS Teams

If you have issues accessing the Team or are not a user of MS Teams, please email Ida at eventmanager@windlogisticsgroup.com to obtain a more detailed guide on how to access a Team as a guest

Ida E Hansen, email: eventmanager@windlogisticsgroup.com

Program:

11:30 – 12:00	The online MS Teams platform will be available
12:00 – 12:45	Working lunch and introduction of new Wind Logistics Group members
12:45 – 14:00	Meeting part I
14:00 – 14:15	Break
14:15 – 15:45	Meeting part II
15:45 – 16:00	Break
16:00 – 17:30	Third “gå-hjem” (after work) meeting with public participation
17:30 – 18:00	Online networking and refreshments

Themes of the day:

We will concentrate on reviewing the progress of the speed boats, their proposed next steps, and the recommendations from the speed boat teams.

We will evaluate the recommendations and discuss how to proceed.

We will make decisions on next steps, formalization of projects, and what to do to seek funding where required.

Participating Wind Logistics Group organizations:

MHI Vestas, NorSea Group, R&D, Head Energy, Vestas, Procon, GWEC, Energy Cluster Denmark, DHL Global Forwarding Industrial Projects, DIS, and TINV/MDC/Panticon.

Participating new members:

Elevon, Vento Maritime, KK Wind Solutions, Liftra, and FORCE Technology

Industry partners not participating:

Ørsted

Participation not yet fully confirmed:

Port of Aalborg, Port of Esbjerg, LM Wind Power, Siemens Gamesa Renewable Energy, Eltronic/AH Industries, and Danish Shipping.

Several guest organizations are expected.
